

After School Program About Us

Our goal is to provide a safe & nurturing environment creating the perfect combination of recreational, creative, and educational activities for a well-balanced after school experience.

Each day is filled with a broad range of engaging, hands-on academic and enriching activities that allow children to develop their interests and skills, including homework assistance, indoor and outdoor games, arts and crafts, and so much more... all of which have been planned for your child's time in our program.
