Message from the Principal

Dear Students and Parents

As the new principal of Aventura Waterways K-8 Center and on behalf of our faculty and staff, I am happy to welcome you to the 2018-2019 school year! The 2018-2019 school year will be an amazing year. We are looking forward to exceeding your educational expectations each day by establishing a productive and positive partnership. Through this partnership, we hope your children can achieve their highest potential. We recognize that to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities.

Aventura Waterways K-8 Center was graded by the Florida Department of Education as a "A" school. The school had an overall increase of 22 percentage points. This is greatly contributed to the dedication and exemplary partnerships that exist within our school community, amongst faculty, staff, and students.

Please consider joining our PTSA and become a school volunteer as our students can greatly benefit from your involvement and contributions to the school's program and its operations.

Safety and student supervision is of utmost importance at Aventura Waterways K-8 Center. A police officer will be in our main campus and armed guard will be in our Annex building every day. All middle school students, 6th-8th grade, must wear their student identification badges daily. All visitors must present an official government identification to enter our school building. It is very important that you and your child are fully informed regarding standards related to appropriate behavior for a safe and productive school year.

If you have any questions about the rules and expectations, please feel free to contact me or to discuss them with your child's teacher.

The wonderful Aventura Waterways K-8 Center staff and I feel privileged to be a part of this school family. We thank you for your support and look forward to meeting you.

Yesenia M. Aponte, Principal

We encourage parents to volunteer when possible since we recognize they are an important part of the school's educational team.

Diane Cardona, Assistant Principal

It is an honor to serve as assistant principal at Aventura Waterways K-8 Center. Academic Programs – Student Progression Plan (SPP)

Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one

grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statutes, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Before/After School Care Program & Middle School Enrichment After School Program

For those parents considering going back to work and/or are presently working, there are 224 low cost Before and After School Care programs that serve both Elementary and K-8 Center students and 62 Middle School Enrichment After School programs that help tutor middle school students throughout the Miami-Dade County School district. Each of these programs are staffed with state certified instructors, state certified program managers, or state certified activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

This year, Miami-Dade County Public Schools will offer 286 After School programs on school days. Before-school care programs will be provided as needed. After-school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts. Summer Camp operates from 7:00 a.m. until 6:00 p.m. Parents should check with their child's school for specific start times.

All after-school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Many programs offer reading and math tutoring, music, ceramics, chess, drama and other classes designed to provide participants with a variety of educational and enrichment experiences. Before-school care programs provide supervised, quiet activities for students.

The cost of Elementary and K-8 after school care is \$40 per week; the cost of Middle School Enrichment after school care is \$40 per week; the cost of before school care is \$20 per week and the cost of Summer Camp is \$100.00 per week. These programs are offered by one of seven providers:

- Miami-Dade County Public Schools Principal Operated Before After-School Programs
- Young Men's Christian Association (YMCA)
- Young Women's Christian Association (YWCA)
- Family Christian Association of America (FCAA)
- Sunshine After-School Child Care (SASCC)
- South Florida After-School All Stars (SFASAS)

Bring Your Own Device (BYOD)

Bring Your Own Device allows students, parents, staff and guests to use their own technology during the day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets,

and iPads.

Clinic

Aventura Waterways is partnered with Nicklaus Children's Hospital, two nurses are located in the main office and provide assistance to students who may need their services.

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Community School Program

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 39 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call Mr. Victor Ferrante, Executive Director at 305-817-0014.

Dismissal

- ***Bicycles/Skateboards***

Students must utilize the enclosed bike racks by the 26 Avenue. For the security of all student's bikes, bikes need to be locked accordingly onto the bike rack. Bikes need to be taken home daily.

- ***Rainy Day Dismissal***

Please plan ahead and make the necessary arrangements so that your child knows what to do on rainy days. During heavy downpours, children will not be dismissed until the downpour subsides. Students who are bussed will be dismissed as busses arrive. **Children will not be allowed to use the school telephone due to inclement weather so please have a plan in place, and**

please communicate your rainy day expectations/procedures to your child and inform the teacher as well. When severe weather coincides with dismissal and it is unsafe to allow students outdoors, Students in grades K-3 will be housed in the Arts wing Just North of our cafeteria/Students in grades 4-7 will be housed in Building D first floor (adjacent to West Dixie Highway Entrance). Parents must find parking and retrieve their child from these areas. If and when the rain subsides, students will be taken out to their normal pickup areas. We realize it is an inconvenience for parents/caretakers, but we can not expose students to rain and especially thunder and lightning.

- **Student Drop-Off Pick-up**

The drop-off and pick-up of students must occur in the Parent drop off driveways. We have two (2) drop offs, one for older students and one for younger students. The first drop off runs parallel to NE 26 Ave (West side of the Campus) and the second drop off runs parallel to West Dixie Highway (East side of Campus). The NE 26 Ave drop off will be designated for students in grades K,1,2,3. Parents are not to PARK their cars along the drop off and are not to park in the open spaces since they are designated for teachers and staff. Parents may only park in the designated parent parking spots on the south side of the main parking lot. The West Dixie Highway drop off will be designated for students in grades 4 and higher. Note, the West Dixie Highway drop is located off a busy road and great care should be used by parents and students who use this drop off. Make certain all students exit to the right of the vehicle, and make certain that no one exits to the left, as cars are proceeding through their designated path. Please make certain not to stop in the middle of the street to let children out of the vehicle. Also, do not park and cross your child on West Dixie Highway. It's very unsafe to do this! **AS WITH ANY LARGE SCHOOL, ARRIVALS AND DISMISSALS CAN BE HECTIC AT TIMES, ESPECIALLY ON RAINY DAYS.** Please be patient and cooperative regarding this school safety matter. We want all of our children to be safe. Furthermore, 211 Terrace is a school bus drop off. Parents are not to park or drop off students on either side of the street, in either the morning or afternoon times. School administrators and security are not police officers, and cannot enforce traffic rules. Please follow common sense safety practices, and we urge you to NOT violate the above policies/practices for the safety of our students and our parents.

Elevator

The school elevator is to be used by individuals who are handicapped/injured and cannot use the stairs.

Emergency Contact Information

Emergency Student Data Forms are distributed during the first week of school. Students are expected to bring the forms home and present them to their parents/guardians. The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian

immediately in the case of an emergency. Parent/Guardian(s) that provide a cell phone number will receive text messages should an emergency arise. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted.

Fieldtrips

All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.

Flu Vaccine

Miami-Dade County Public Schools has partnered again with Healthy Schools, LLC for the 2018-2019 school year to provide **FREE** flu vaccines to students enrolled in M-DCPS. This years’ “**TEACH FLU A LESSON**” student vaccination campaign will begin **September 11 thru October 11**. Each school will have a specific clinic date.

Parents/guardians have the option of providing consent through the Parent-Portal using their digital devices or complete a paper consent form. Parents/Guardians **MUST** provide consent if they want their child to receive the flu vaccine. Parents/Guardians should contact their child’s school to determine when the flu vaccine will be offered at their child’s school.

Homework

Principals are encouraged to work with teachers and parents to implement guidelines found in Homework Policy 2330. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

The suggested number of minutes (on average) for daily home learning assignments for all subject combined:

<u>Grade Level</u>	<u>Number of Minutes</u>
K- 1	30 minutes
2- 3	45 minutes
4- 5	60 minutes

4. Supporting the school in regards to the student being assigned home learning.
5. Requesting assignments for students when short term absences are involved

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

Reading is recognized as a universal skill that relates to all subjects. When a homework assignment is completed in a shorter period of time, every student should read for pleasure or particular purpose. According to the Miami-Dade County Comprehensive Reading Plan, all students should read at home for at least thirty (30) minutes per day.

Kindergarten teachers shall exercise professional judgment in making homework assignments by considering the child's readiness level and the type of work to be accomplished.

Interscholastic Athletics/Intramurals

The Division of Athletics, Activities and Accreditation works with M-DCPS school sites to provide students with opportunities to participate in athletics at various levels. Athletic programs are offered at K-8 Centers, middle schools and high schools. At the middle schools, athletics consists of intramural and interscholastic programs. At the high school level, interscholastic programs are offered at most senior high schools.

For participation in interscholastic athletics at the middle school level, a student must have a 2.00 GPA in conduct and academics to participate. His or her parent must sign the M-DCPS *Middle School Athletic Program Consent and Release from Liability Certificate*. For participation in interscholastic athletics at the high school level, a GPA of 2.00 in conduct and academics is required except for incoming freshmen. All participants must purchase athletic and/or football insurance to participate and must have a current physical form on file.

A home education student must register his or her intent to participate in interscholastic extracurricular activities as a representative of the school before participation.

The parents and student must also sign the *Contract for Student Participation in Interscholastic Competitions or Performances*. The District also has policies concerning transfer students and participation in athletics. If a parent has questions concerning these policies, he or she should contact the Division of Athletics, Activities and Accreditation.

The Parent Academy (TPA) is part of the Department of Family Support Services, created to engage and support families in the educational process. TPA helps caregivers become more involved in their children's education and empowers them to set and achieve personal empowerment goals for higher education and career advancement by providing free, year-round workshops, classes and events at schools, libraries, parks, colleges, private businesses and neighborhood centers across the county. TPA also provides valuable training and information on relevant topics that impact children's lives, including helping children learn, parenting skills, financial management, health and wellness.

Parents can participate in workshops and classes that are aligned to their needs and convenient to their homes and workplaces. For additional information, please call The Parent Academy at 305-271-8257.

Protocol for Addressing Concerns

For issues involving an individual teacher or class, parent/guardian address their concerns to the following individuals in the order below.

Recess

Recess is supervised, unstructured playtime where children have choices, develop rules for play and release energy and stress. Recess will be conducted outdoors when weather

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

permits. In the case of inclement weather, appropriate recess activities will be conducted indoors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.

Safety and Security

- ***Code Yellow/Code Red***

In the event of an emergency, the primary responsibility of all school personnel is to provide for the safety of all students. In the event a school administrator announces a possible threat to students and staff safety exists within the community (Code Yellow), or an imminent threat to students and staff safety exists within the school (Code Red) students, faculty and staff will comply with all the procedures outlined in the Miami-Dade County Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator makes an “All Clear” announcement.

- ***Emergency Operations Plan***

Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all M-DCPS Police officers have been adequately trained in the school EOP and are

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert Flyer)

http://hoover.dadeschools.net/portable_doc/68128_Be_Safe_Anonymous_Reporting_System_Flyer.pdf

- **Fire Drills**

Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome and tours may be arranged to view the school. Classroom visits require a 24-hour notice. Visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

School Activities/Clubs

All School Activities, clubs, and organizations must be approved by the principal and conform to the district policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**

Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurriculum-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

School Center for Special Instructions (SCSI)

School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an alternative to suspension from school. SCSI is designed to provide strategies and resources to students focused on learning new behavior skills. When misconduct in a class results in an assignment to SCSI, the student should be removed from only the class in which the misconduct occurred. Continued misconduct can result in the removal from all classes.

School Class Picture Process

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation

Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for special needs students.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the [Parent Portal](#) is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/ guardian consents to initial placement.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at <http://ese.dadeschools.net/>.

Student Records

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

Parents, guardians and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals' access to information in students' educational records and are provided the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders.

Each school must provide to the parents, guardians or eligible students annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

A student enrolled in an Advanced Placement (AP), International Baccalaureate (IB), or Advanced International Certificate of Education (AICE) course who takes the respective AP, IB, or AICE assessment and earns the minimum score necessary to earn college credit, as identified in s. 1007.27(2), meets the requirements of this paragraph and does not have to take the EOC assessment for the corresponding course.

Student Services

The program structure supports educational reform initiatives and takes into consideration current social climate and the unique issues faced by the multicultural/multilinguistic populations enrolled in Miami-Dade County Public Schools.

Student Success Centers

The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

Toolkits

Transgender

The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique characteristics, including sexual orientation or gender identity. Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have
